(Impact of ISO 9001 certification in Developing Asian Economies)

Certificate of appreciation

This is to express our sincere thanks to

25th June '2010

Raajratna Metal Industries Limited,

Chhatral, Gujarat, India

for contributing their time and effort to participate in this project, and thereby helping us to assess the system development, certification, accreditation and economic benefits of ISO 9001 in the Asian developing economies

Dr Nigel H Croft
Lead Consultant
Project TE/RAS/09/003

* NOTE: This certificate in no way attests to the conformity of the organization's quality management system, nor does it replace a valid ISO 9001 accredited certificate.
